Mohawk 2019 Price Increase

Effective January 7, 2019

December 7, 2018

To our customers,

In 2018 we continued to absorb the unprecedented increase in input and freight costs. As a result of this difficult and continued market dynamic, Mohawk is announcing a price increase of approximately 3% on commercial papers, commercial envelopes, and specialty substrates effective with orders taken on January 7, 2019. The attached document provides the pricing specifics.

Manufacturing orders for these papers and substrates on file with Mohawk prior to January 7, 2019 but shipping after that date, will retain the agreed upon price.

This price increase will be applied to all contracts and promotions, within agreed upon terms.

Replacement price pages will be available electronically shortly. Please contact your Mohawk Sales Representative, if you have questions.

We appreciate your continued support of Mohawk.

Sincerely,

Melissa Stevens
Chief Revenue Officer
