To Our Customers:

Effective with shipments on or after June 24, 2021, pricing will increase 6-9% USD for all sizes of Finch Printing, Converting, Publishing, Digital/Inkjet, Technical Specialty and Office Paper grades.

The upcharge for recycled papers will increase to \$2.50/cwt for every 10% increment of post-consumer fiber.

Deviated pricing and stock discount revisions will be addressed separately. Your Finch Sales Manager will contact you with the details.

Thank you for your continued support of Finch Paper.

Sincerely,
